GLOBAL WILL REFUSE TO ACCEPT ANY DELIVERIES THAT DO NOT CONFORM TO THESE SPECIFICATIONS

DELIVERY DEADLINE AND POSTING CYCLE

Posters must be produced to the exact specification set out below and delivered 14 calendar days before the 'In-charge' date of the campaign. Campaigns are then posted on a 6 calendar day cycle (excluding Bank Holidays) which commences before the 'In-charge' date.

Please note: Global is not liable for compensation claims against any campaign where posters have been received after the delivery deadline. All posters received after the delivery deadline will not be posted until the next available posting cycle for this site type.

COPY APPROVAL

Before posting can commence, every Bus campaign must be submitted to Global for copy approval. This is to ensure that the Codes of Practice outlined by our franchise partners are being upheld. See *Copy Approval on page 6*.

BARCODING

Every campaign must have the appropriate barcode printed on all posters. See *Barcoding of Bus Campaigns on pages 8 and 9*.

DISPLAY AREA

For all site types that are fixed into frames, the specification will give the Overall Size and the Display Area. Please keep all important text and images within the Display Area but feel free to bleed the background colours/images up to the Overall Size. Please be aware that if an artwork has text that has been created to the Display Area it will butt-up to the frame. If this is not the desired effect then please move the text even further inside the Display Area.

Please note: **Global strongly recommends that you do not use the frame as a 'cropping device' for corporate logos and borders as 100% accuracy cannot be guaranteed.**

MATERIALS and PRINTING

Please refer to pages 4 and 5 for full details.

PROTECTIVE FINISH

For maximum durability on long-term campaigns, Global insists a clear machine or UV varnish should be applied to the poster.

GLOBAL POSTER DESPATCH FORM

The Global Poster Despatch Form will give all the relevant information for each campaign with regard to quantities, collation details and delivery addresses. If you require a copy, please contact Global on 028 9032 2333 and quote the campaign reference.

SPARE POSTERS

Global will always require additional 'spare' posters to refurbish campaigns. The quantities shown on the Global Poster Despatch Form will include the required number of spares.

TRIMMING

All posters must be trimmed to the exact Overall Size with additional UNPRINTED overlaps where necessary.

POSTER COLLATION AND PACKING

Posters will need to be delivered 'flat & uncollated'.

Flat & uncollated: Please stack posters flat on a pallet. Section 4 should be placed on the pallet first followed by sections 3, 2 and 1. A tab must be inserted between every 50th vinyl and an additional tab inserted indicating the break between each section. The pallet must be bound securely, ensuring the poster edges are fully protected to avoid damage in transit.

POSTER LAYOUTS

A poster layout must be attached to every package or pallet.

QUALITY ASSURANCE DOCUMENTATION

All deliveries will require documentation giving details of Quality Assurance Checks. This must clearly identify the following information: campaign reference(s), print method, ink details and drying method. Global will also require the name of the person who carried out the Quality Assurance Checks for that particular consignment.

Every consignment of posters delivered must have a Delivery Note attached, indicating the following:
